

Thank You for your interest in our state-of-the-art vans. We're thrilled you're considering one!

Remote Vans was created to produce the ultimate connected vehicle for remote work and play. Over the years we have stayed at the absolute forefront when it comes to anything related to **Power, Comfort, and Connectivity**. We take great pride in extending the Mercedes Benz motto of, "**The best or nothing,**" into the quality of everything we do.

We're a passionate team, proudly building vans in Cincinnati, Ohio!

HERE'S WHAT SOME OF THE REMOTE VANS SERIES OWNERS HAVE TO SAY ...

"Loved the service! GREAT VAN. Daryn and tony are really knowledgeable."

"The team went above and beyond. We work in tech and Remote Vans ticked all our boxes for remote work."

"It's been an awesome van life experience so far! This van has been an awesome companion on the road!"

"First of all, loving the van! It's a joy to drive on a long trip. Easy-to-drive, roomy and comfortable for a long-haul."

"The team at Remote Vans was great and our family couldn't be happier with our van."

"Had a great call with Tony and Daryn about my new Oasis Series AWD!"
